User

User

### I NEED TO

See available parking spots through the lot

See a list of spots that will be available

Choose an available parking spot and check-in or reserve it

Check in to my favorite or one of my favorite spots

Inform how much time I will be parked

View my reservations and check in from the list

Extend my time on that spot if it's not reserved for other user

### SO THAT I CAN

Check-in or Reserve

Check-in or Reserve

Park my vehicle on that spot

Park my vehicle on that spot with a faster interaction

Finish using the spot and release it for other users

Park my vehicle on that spot with a faster interaction

Stay more time parked on that spot if needed
